

Current Regulations Regarding Student Conduct in the Dormitories During the Coronavirus Pandemic – January 2022

1. The following regulations refer to the rules of conduct at the Technion during the coronavirus pandemic, in accordance with the guidelines of the Ministry of Health. These rules of conduct include adhering to social distancing, mandatory mask wearing in public spaces, and maintaining personal hygiene, in accordance with the provisions of the law which will be periodically updated (see the Safety Unit [website](#)).
Dormitory management will update the guidelines in accordance with the **Ministry of Health regulations**, as per the periodic updates regarding the coronavirus crisis.
2. Students who are not feeling well are personally responsible for getting tested for coronavirus.
3. **Students who are confirmed carriers of coronavirus** (with or without symptoms) –
 - 3.1 must immediately notify the Security Center at 04-8292222 and the Dormitory Office (dormitories@technion.ac.il) and must personally arrange to leave the dormitories.
 - 3.2 Confirmed coronavirus patients must quarantine, as per the Ministry of Health regulations.
 - 3.3 Quarantine must occur off-campus.
 - 3.4 It is the student's responsibility to leave campus for the quarantine period.
 - 3.5 The student can return to campus only after his/her quarantine period has ended.
 - 3.6 Foreign students and students who are alone in Israel (and other exceptional circumstances) will be exempt from sections 3.2, 3.3, 3.4, and 3.5, and will be provided with an option to quarantine on campus. For the avoidance of doubt, approval to quarantine on campus must be granted in writing by Dormitory Management. A student who has received approval to quarantine at the Technion, as per this section, must complete a declaration of entry into quarantine form (see Appendix A below).

- 3.7 Couples and families who live in the dormitories will be permitted to quarantine in the dorm provided that all occupants of the home remain in quarantine throughout the entire required quarantine period, with the exception of vaccinated and recovered individuals who do not exhibit symptoms, in accordance with the law. Vaccinated or recovered patients who experience symptoms are required to get tested for coronavirus. It is recommended that even recovered and vaccinated individuals who do not exhibit any symptoms still get tested for coronavirus, in accordance with the guidelines.
4. Students in quarantine may contact the Dormitory Coordinator of the Technion Student Association via email (dorms@asat.technion.ac.il) if they have difficulty obtaining groceries/food, are lacking electrical products, etc.
 5. In the case of hospitalization due to coronavirus, the Security Center and the Dormitory Office must be notified.
 6. **Vaccinated/recovered students who have been exposed to a confirmed patient –**
 - 6.1 A coronavirus antigen test is required.
 - 6.2 Quarantine is not required (with the receipt of a negative test result).
 - 6.3 It is recommended not to go to crowded places for 10 days after exposure to a confirmed patient.
 7. **Students who are not vaccinated and have been exposed to a confirmed patient –**

Must quarantine for one week, in accordance with the quarantine guidelines specified in this document. Exiting quarantine is possible after getting a PCR test on the seventh day and receiving a negative result.
 8. In the case that an apartment tenant is confirmed to have coronavirus and he/she lives with others in the apartment – all apartment-mates/roommates must act in accordance with the guidelines of the Ministry of Health.
 9. Acting in violation of laws that are intended to eradicate coronavirus – including not wearing a mask, attending prohibited gatherings, not adhering to social distancing, etc. – while on campus, in the dormitories, in public spaces or in open areas, constitutes a disciplinary offense, along with all that it entails.

10. These current regulations are binding rules of conduct for the Technion dormitories.

Violating these directives constitutes a disciplinary offense, in accordance with regulations.

11. These regulations will be valid until the publication of new and updated regulations and are subject to the law.

During your stay in the apartment, you must follow all Ministry of Health guidelines. As per those guidelines, please comply with the following guidelines:

- Do not leave the apartment during the entirety of the quarantine period.
- It is not permitted to have people enter the apartment, other than the tenants themselves, who are also in quarantine.
- If there are additional apartment-mates/roommates in the apartment, you may only enter the common areas **with a mask**, and only after making sure that they are in their rooms with the door closed.
- You must order food and groceries on your own from the various food suppliers. If you need assistance, you can contact the administrative staff at the Student Association: sec@asat.technion.ac.il.
- Trash should be stored in closed bags inside the apartment and emptied out only at the end of the quarantine period.
- You must stay in your room with the door closed at all hours of the day.

- In the event that there is a change in your health condition, you must notify the Ministry of Health and update the person in charge of the area.
- Upon completion of the quarantine period, you must clean the apartment and return the key to the location at which you received it. If the apartment is not cleaned, a cleaning company will be brought in, and your account will be charged for the cost.
- During quarantine, the security unit will patrol the area to ensure that quarantine instructions are being followed.

Please note: Violation of the quarantine guidelines may result in your being disqualified from being eligible to live in the dormitories until the end of your studies, and it may result in disciplinary action being taken.

Sincerely,
The Dormitory Office
